Konrad Adenauer, SIGMA Conseil and the association of the Arab Observatory of Religions and freedoms are to present the results of the opinion survey on the theme «Religion and politics in Tunisia and North African countries», on May the 10th, 2016 in the hotel Paris in Tunis.

Three main questions will be treated: the relationship of the citizens with Islam and political Islam, the citizens and the notion of religious extremism, and finally the citizens' perception of the Islamic State in Tunisia, Algeria, Morocco, Libya and Egypt.

For that context, we are pleased to invite you to the press conference at 10:00 am in the Hotel Paris in Tunis.
